SENTINEL AND GAZETTE.

Taking the Back Track!

The following proceedings were had in the Loco Foco Legislature of Illinois, now convened in special Session at Springfield:

Mr. Haven, of Will county, offered in connection with some other business, the following resolutions:

Resolved, By the House of Representatives, the Senate concurring therein, That it is the duty of Congress to pass an act prohibiting forever the existence of Slavery in the United States Territories.

Resolved, That all United States laws sanctioning or sustaining Slavery in the District of Columbia, or wherever else it may exist under the exclusive control of the General Government, ought to be repealed.

Resolved, That our Senators in Congress be instructed, and our Representatives be requested to use all honorable means to procure the passage of laws in accordance with these resolutions, and that the Governor of this State be respectfully requested to transmit a copy of these resolutions to each Member in Congress from the State of Illinois.

Upon the presentation of these resolutions, a motion *was made to lay them on the table, and carried by a vote of* 44 to 20.

The Loco Focos, it seems, are already getting sick of their "Free Soil" fancy. They will begin to *repudiate* the "test," in this State, as in Illinois as soon as election is over.

AGRICULTURAL BUREAU.—*Vermont.*—A Joint Committee comprising three Senators and five Representatives have unanimously reported the following resolution:

Resolved, That the General Assembly of Vermont earnestly recommend the establishment of a Bureau Agriculture, in the "Department of the Interior" at Washington, whose province it shall be to superintend and promote the great interest of Agricultural Improvement in the nation."

The Report was drawn by Francis Holbrook, a Senator from Windham County, and is able and forcible.

PORTUGUESE REFUGEES.—A number of Portuguese refugees, from the Island of Madeira, left New York last week for Illinois. They are under the protection of the American Foreign Christian Union. It is expected that they will leave Buffalo in the *Keystone State*, and will stop here on Wednesday next. They number two hundred and eighty; and there remain in New York about as many more. Their destination is Jackson, Springfield and Waverly, in Illinois.—*Detroit Bulletin, Monday.*

Wood's Sky-light Daguerian Gallery,
OVER 106 EAST WATER STREET.

It has become disgustingly common for *every one* to have the "*best*" of everything. I would therefore simply say that I should be happy to show any one who will favor me with a call, my specimens of Daguerreotype, and the advantages of a side and sky light combined over a direct side light—by it that inhuman dark shade on one side of the face is avoided and the light and shade *properly* distributed—for groups a sky-light is *almost indispensable.* Pictures taken equally well in cloudy weather.—Hours of sitting from 8 A. M. to 5 P. M.—For children from 9 A. M. to 3 P. M.

ADDERSON & BAXTER,
MERCHANT TAILORS,
On Wisconsin street, opposite the Stage Office.

WE have just received our stock of Fall and Winter Goods, to which we would invite the especial attention of those desiring as fashionable clothing as can be made in the City of New York. The goods were selected by ourselves, with the greatest care, and we can suit the most fastidious taste.

Having been engaged, for many years, in the best establishments in New York, we can, without vanity, recommend ourselves to the fashionable public, as *practical* tailors, who think that we can give entire satisfaction, as we warrant a *perfect fit* in every instance.

We respectfully invite gentlemen, who are in the habit of getting their clothing made at the East, to give us a call. All we ask is a chance to "try our hand," in order to convince the most skeptical, that Milwaukee holds two as good tailors as New York city. oct19-dtf.

☞ **Clothing.**—Cords of them splendid fancy trimmed OVERCOATS, just arrived at the N. Y. City Clothing Store, No. 188 East Water street, where can at all times be found a full assortment of seasonable ready made clothing of all descriptions for men and boys. Stop in and take a look at the Elephant. We charge nothing for showing goods, and never refuse to show a man goods who says he wants to buy a coat next week.
