THE CHINAMEN ARRAIGNED.

Hah Ding and Sam Yip Yah Plead Not Guilty.

After Judge Mallory had disposed of the minor matters in court today, Sam Yip Yah and Hah Ding, the two Chinamen accused of debauching little girls, stood up to plead to an information charging criminal assault. W. C. Williams, who represented them, entered a plea of not guilty, and added that he did so without waiving any right to demur or to move to quash the information. He then demanded a list of state's witnesses, a copy of the information, and the names of the jurors drawn for the criminal panel. As all these things are matters of record, the court ordered him to have them, except that in the matter of witnesses the order merely extended to the names of those who appeared to testify on the preliminary examination.

As it will be over a week before the case comes up there will be plenty of time to look up the amendment to the statutes changing the age of consent, and see just what the effect of the new law is.

Amusement Notes.

Prof. Bristol's equescurriculum, the engagement of which at the Opera house closes tomorrow night, has received more general patronage than any other entertainment given in a Milwaukee theater for a long time and perhaps than any one ever given in Milwaukee. Many persons have gone to see it several times.

"Mixed Pickles," a farcical comedy, will be the attraction at the Standard theater tomorrow afternoon and evening.

Robert Mantell remains at the Academy till tomorrow night.

"He, She, Him and Her," a farce comedy of rather enlivening character, will be the next Sunday attraction at the Opera house. Geo. H. Adams and Toma Hanlon still head the company.

The Nelson's World Specialty company, including a large number of artists, will appear at the Opera house the latter part of this month.

Two Extra Elks' Performances.

The Elks have sold so many tickets, and find that that there is still a rush for more, that they have decided to give two extra performances. The first one will be Monday night and the second Tuesday, and seats can now be secured for the latter.

Cruelty Ever Since the Wedding.

Wilhelmine Kern today brought suit against Gustav Kern, alleging cruelty as cause for action. They were married April 18, 1887 and plaintiff avers that the acts of cruelty began immediately after the wedding.

The importance of purifying the blood cannot be overestimated, for without pure blood you cannot enjoy good health.

At this season nearly every one needs a good medicine to purify, vitalize, and enrich the blood, and Hood's Sarsaparilla is worthy your confidence. It is peculiar in that it strengthens and builds up the system, creates an appetite, and tones the digestion, while it eradicates disease. Give it a trial.

Hood's Sarsaparilla is sold by all druggists. Prepared by C. I. Hood & Co., Lowell, Mass.

WHERE IS THE PLACE TO BUY LOTS? Where property is being improved, and people can live and get to work and business comfortably!

Over thirty houses have been built on the Savings & Investment Association's grounds within the past four months, and fully a hundred within the past year, for workingmen, clerks, etc., and probably a larger number will be built this year. Our lots are not four to five miles in the country, but right at the city limits, easy to get at. They are lower in price than many are selling at farther out with no improvements. Our terms are the easiest and safest for the poor man. Now is the time to buy. Price will advance faster than the interest to be paid. Don't delay and get left. Money furnished to help to build. If you are able to pay $8 or $10 a month for rent now, you are able to pay for a house of your own and stop paying rent. Do it while you can. For particulars, call at the office of the SAVINGS & INVESTMENT ASSOCIATION, northeast corner East Water and Mason streets, Room 1, upstairs. Office hours, 8 A. M. to 12:20; 1:30 to 5 P. M.
